Ok, we'll look forward to them, and will assume that they are the most your clients are willing to do following our extensive meet and confers on these.

Ben,

Did we miss these? My understanding was that you were taking one last crack at them following our final meet and confer.

Thanks,

Ben,  
You have promised us revised discovery responses following our multiple meet and confers for weeks. We simply cannot keep waiting as the delay is already affecting our ability to complete our discovery in line with the trial schedule. Please serve your revised responses on Monday or we will have to move to compel. Whatever you produce should represent your best and final efforts to comply.

Thanks

Bryan
